2005 CITATION BRAVO | S/N 550-1101

OVERVIEW

Valor is pleased to offer this 2005 model Citation Bravo, serial number 550-1101. As the successor to the Citation II, the Bravo features more powerful and more fuel-efficient PW530A engines, resulting in a higher MGTOW, a faster cruise speed, and longer range. The cabin was designed to be very quiet, fitted with baggage insulation and an isolated interior shell to eliminate the low-frequency engine fan noise common in light private jets. Additionally, a secondary seal on the cabin door was added to cut wind noise. With its short runway capabilities and extraordinary comfort, it is easy to see why the Citation Bravo is one of the most popular business jets.

This aircraft features an upgraded Universal FMS (WAAS/LPV), Garmin ADS-B with GTX-3000 Trans, GDL-88 Datalink and Flight Stream, along with GoGo W-Fi cabin system. With the striking exterior paint scheme and natural appointed interior, this aircraft is ready for immediate delivery.

HIGHLIGHTS

- UNIVERSAL UNS-1LW (WAAS/LPV)
- GARMIN ADS-B, GDL-88, FLIGHT STREAM 110
- GOGO ATG-2000 WIFI & IRIDIUM SATCOM
- TCAS-II, HF RADIO
