1,270 NM

RANGE

OVERVIEW

Beechcraft Premier I | Serial Number RB-7

Nicely Equipped | Fresh U.S. Import | Exceptionally Maintained

The Premier I combines impressive speed, cabin comfort and operating efficiency in a light-jet platform. Its advanced composite fuselage provides one of the largest cabins in its class, measuring 5 ft 5 in high and 5 ft 6 in wide.

Collins Pro Line 21 avionics and twin Williams FJ44-2A engines deliver a capable, reliable and owner-operator-friendly aircraft. The engines are enrolled on Williams TAP Blue, and major inspections are completed and current.

Contact Valor Jets for additional details or to schedule a private viewing.

INSPECTION OVERVIEW

Maintenance Tracking via CAMP
U.S. Registration N80VR | Completed 3-2026
Major Inspections | Completed and Current
48-Month / 1,200-Hour Tail Section | C/W 4-2025

INTERIOR & EXTERIOR

Elegant Six-Passenger Cabin

Light Buff Leather | Cognac Birdseye Cabinetry | Private Aft Lavatory

The Premier I features a six-passenger executive cabin with a four-place center club and two forward-facing aft seats. Light Buff leather, coordinating sidewalls and armrests create a bright, refined environment.

CABIN FINISHES & EXECUTIVE SEATING

Cognac Birdseye wood veneer cabinetry and Gunmetal hardware complement the Light Buff leather. Dual executive writing tables support both productive business travel and relaxed personal trips.

REFRESHMENT CENTER & CABINETRY

The forward refreshment center includes a hot-liquid dispenser, ice storage and ample cabinet space. Enclosed window shades and cockpit pocket doors provide added privacy.

ENTERTAINMENT & CABIN COMFORT

Airshow 400 | DVD capability | 10-inch forward monitor | Individual temperature and audio controls | 110-volt power outlets

WEIGHTS & CAPACITY

Max Takeoff Weight	12,500 lbs.
