PREMIER I | S/N RB-65

OVERVIEW

Valor is offering this 2003 Beechcraft Premier I, serial number RB-65. Plane has had five owners since new.

The Premier was built for speed and giving a mid-size cabin feel to dominate over the competitors in the light business jet market. The composite structure was the first of its kind to breakthrough with lighter weight, yet super durable and sleek lines to give the ramp presence the 390 Model is known for. The fully integrated Collins Pro Line 21 avionics system has been the staple for Hawker/Beechcraft products. The super-efficient Williams FJ44-2A engines deliver impeccable performance. It's easy to see why the Beechcraft Premier I is such a popular jet.
