VALORJETS[®]

1997 CITATION BRAVO | S/N 550-0819

OVERVIEW

Valor is pleased to offer this 1997 model Citation Bravo, serial number 550-0819. This aircraft has had four US owners since new. As the successor to the Citation II, the Bravo features more powerful and more fuel-efficient PW530A engines, resulting in a higher MGTOW, a faster cruise speed, and longer range. The cabin was designed to be very quiet, fitted with baggage insulation and an isolated interior shell to eliminate the low-frequency engine fan noise common in light private jets. Additionally, a secondary seal on the cabin door was added to cut wind noise.

With its short runway capabilities and extraordinary comfort, it is easy to see why the Citation Bravo is one of the most popular business jets. This aircraft features fresh exterior paint (2021), and a fresh phase I-4 & 5 inspection. Always hangered, ready for immediate delivery.

HIGHLIGHTS

- UNIVERSAL UNS-1LW (WAAS/LPV)
- BLUE SKY-LINK IRIDIUM (TALK, TEXT)
- TCAS-II, HF RADIO, AIRSHOW 400
- 2021 NEW CUSTOM PAINT
