VALORJETS[®]

2007 GULFSTREAM 200 | S/N 176

OVERVIEW

Valor is excited to offer this 2007 Gulfstream 200, serial number 176. Always US ownership since new with an impeccable maintenance pedigree. The G200 became the new wider body design from the original Israel Aerospace Astra SPX & G100 using the same wing with integrated winglets and modified high-lift devices, powered by new 5,700-lb thrust Pratt & Whitney Canada PW306 turboprops, and with improved integrated Pro Line 4 avionics and an all-new interior layout. The main change from the Astra SPX wing was the introduction of Krueger flaps on the leading edges of the inboard section.

This aircraft is enrolled on full ESP Gold- Engine and Honeywell MSP- APU Programs. Complete paint refurbishment in 2020 by Gama Aviation, along with partial interior refurbishing. The interior features a spacious 9-passenger executive layout with a forward galley, a private aft lavatory, Airshow with DVD entertainment and GoGo WiFi.

Available for immediate delivery.

HIGHLIGHTS

- ESP GOLD ENGINES & MSP-APU
- DUAL FMS & GPS-4000S (WAAS)
- ADS-B OUT & TCAS 7.1
- GOGO BIZ WIFI
