2009 PREMIER IA | S/N RB-268

OVERVIEW

Valor is pleased to offer this 2009 Beechcraft Premier IA, serial number RB-268. Officially entered service November 2009 with only two US owners since new.

The Premier was built for speed with its lightweight composite structure and swept wing design, along with a spacious five foot five-inch-high ceiling and a five foot six-inch-wide cabin, which gives a mid-size cabin feel to dominate over the competitors in the light business jet market.

The aircraft features the fully integrated Collins Pro-line 21 avionics systems to include (IFIS/FSU-5010 File Server, XM Weather, ADS-B, FMS 4.0 w/ WAAS-LPV/GPS, TCAS II). The super-efficient Williams FJ44-2A engines deliver impeccable performance and low-cost operations. It's easy to see why the Beechcraft Premier is such a popular jet.
