2006 HAWKER 850XP | S/N 258768

OVERVIEW

Valor is pleased to offer this 2006 Hawker 850XP Serial number 258768. Certified in October 2006, the Hawker 850XP is the third member of the 800 series. Two Honeywell TFE731-5BR engines power the Hawker 850XP, each offering 4,660 pounds of thrust and using 277 gallons per hour (GPH). The range of the Hawker 850XP is 2,642 nm.

The 850XP's greatest feature is its design, more specifically the addition of winglets. The slight modification improves overall performance by creating a more aerodynamic aircraft. The 850XP climbs to 39,000 feet two minutes less than its predecessor and can travel an additional 100 nautical miles.

This 850XP has had three corporate owners since new and is equipped with GOGO Avance L3 WIFI. Engines are enrolled on MSP Gold, are always hangered with no damage history.
