CITATION ULTRA | S/N 560-0458

## OVERVIEW

Valor is offering this rare low-time 1998 Citation Ultra, serial number 560-0458, with only 5 owners since its debut in March 1998.

The Citation Ultra is the upgraded version of the V and second generation of the 560 series surpassing the 550 series. One of the Ultra's greatest attributes is its short field performance and take off distance of 3,200 feet with max takeoff weight of 16,300 pounds. The Pratt & Whitney JT15D-5D turbofan engines offer 145 more pounds of thrust per side and considered more efficient with faster climb time, as well as long range cruise than the -4D on the 560-V.

The Ultra is equipped with Honeywell Primus 1000 avionics suite and this aircraft features the JET-TECH Garmin STC with Dual GTN-750Xi COMM/NAV, WAAS, Garmin ADS-B In & Out Transponders w/ Flight ID & Traffic, XM Weather Data Link and Flight Stream 510. Named in Flying Magazine's "Best-Business Jet," in its class.

## HIGHLIGHTS

- ONLY 300hrs SINCE OVERHAULS
- JET-TECH STC w/ GARMIN PACKAGE
- DUAL GTN-750Xi (WAAS) | ADS-B IN & OUT
- FLIGHT STREAM 510 | GDL DATA LINK
