HAWKER 800XP **S/N 258347**

## OVERVIEW

Valor is proud to present this **1998 Hawker 800XP**, serial number **258347**.

The Hawker 800XP is one of the most successful midsize business jets ever produced, renowned for its reliability, strong performance, and spacious cabin that comfortably seats up to eight passengers. Powered by **Honeywell TFE731-5BR engines**, it delivers excellent range and efficiency for domestic and regional missions, making it a preferred choice among discerning operators in the pre-owned market.

This aircraft is equipped with a modern **Honeywell avionics suite**, featuring dual FMS with 6.1 software, **WAAS/LPV**, HF-950 with SELCAL, Aircell Axxess SATCOM, and **ATG-5000 Wi-Fi** for seamless connectivity. The interior was tastefully refurbished in **2018**, while the exterior received a fresh **paint update in 2020**, giving the aircraft a stylish, contemporary appearance.

Blending proven performance, updated avionics, and refined aesthetics, this **Hawker 800XP represents an exceptional value** for operators seeking a versatile, well-maintained midsize jet. Contact Valor Jets today to learn more about this outstanding opportunity.

## INTERIOR

### Luxurious Eight-Passenger Executive Interior

Step aboard this Hawker 800XP and experience an **elegant eight-passenger executive cabin** designed for comfort, productivity, and style. The layout features a forward four-place club arrangement, complemented by an aft right-side three-place divan opposite a single seat, all served by three foldout executive writing tables—ideal for business or leisure travel. At the rear, a **private full-service lavatory** with sink, mirror, and ample storage ensures convenience throughout the journey.

The interior, **refurbished in 2018**, is finished in premium **Camel Tan leather seating** with matching armrests, accented by taupe and charcoal patterned sidewalls, a cream ultra-leather headliner, and soft sand-stone carpeting. Rich, high-gloss **burl walnut cabinetry** paired with **rose gold hardware** elevates the ambiance, enhancing the forward refreshment/galley center and the integrated luggage and storage compartments.

For in-flight entertainment and connectivity, the aircraft is equipped with **high-speed Wi-Fi** and an **Airshow 400 moving map system** with dual forward and aft 15" monitors. A **full-service galley**, complete with microwave, coffee maker, solid work surface, and dedicated china, glassware, and beverage storage, allows for seamless dining and refreshments, ensuring every flight is as refined as it is comfortable.

## EXTERIOR

The exterior is finished in a **sleek Matterhorn White**, accented by **Pewter Grey and Onyx Black stripes** that highlight the aircraft's lines with a timeless, refined presence. Completed in **2020**, the paint presents a **modern and sophisticated look** that enhances both ramp appeal and overall distinction.

## AVIONICS

### Honeywell Avionics Suite

- **ADF:** Dual Honeywell DF-850
- **Autopilot:** Honeywell DFZ-800 AFCS
- **Communication Radios:** Dual RCZ-833M Integrated
- **CVR: Universal CVR30B**
- **EFIS:** Honeywell EDZ-818 5-Tube
- **Flight Director:** Honeywell DFZ-800 AFCS / SPZ-8000
- **FMS:** Dual Honeywell FMZ-2000 w/6.1 Software (**WAAS/LPV**)
- **Hi Frequency:** King KHF-950 w/ SELCAL
- **Navigation Radios:** Dual Honeywell RNZ-850
- **Radar Altimeter:** Honeywell RT-300
- **SATCOM:** Aircell Axxess II Iridium
- **TAWS:** Honeywell Mark VII EGPWS
- **TCAS:** Honeywell TCAS-2000 w/change 7
- **Transponder:** Dual Honeywell XS-850 Transponder (ADS-B out)
- **Weather Radar:** Honeywell Primus 870 Radar

## ADDITIONAL EQUIPMENT

This Hawker 800XP is outfitted with an **Artex 406 ELT** and **GoGo Biz ATG-5000 WiFi**, ensuring both safety compliance and real-time connectivity. Its avionics suite includes **dual Honeywell ADZ-810 air data computers**, **dual Honeywell RMU-855 radio management units**, and **dual CD-850 control displays**, supported by a **Honeywell DL-950 USB datalink transfer unit** for efficient flight management. Operational highlights such as **thrust reversers**, a **long-range oxygen system**, and an **externally serviced lavatory** further enhance the aircraft's range, reliability, and mission readiness, making it a proven performer in the midsize jet category.
