OVERVIEW

Citation Bravo | S/N 550-0940

N271SB | 2016 Paint & Interior | Gogo ATG-2000 Wi-Fi | TCAS II 7.1

Valor Jets is pleased to offer N271SB, a 2000 Citation Bravo featuring a custom eight-passenger cabin refurbished in 2016, Gogo ATG-2000 Wi-Fi with Talk & Text and proven Pratt & Whitney PW530A engines.

With a maximum cruise speed of 400 knots and a range of up to 1,587 nautical miles, N271SB offers meaningful jet capability without the higher operating costs of a larger aircraft. Bagged insulation, an isolated interior shell and a secondary cabin-door seal help create a quieter cabin, while trailing-link landing gear provides smoother touchdowns and improved ride comfort.

For buyers seeking a comfortable, connected and proven light jet, N271SB deserves serious consideration. Contact Brian Paul at Valor Jets for current pricing, maintenance information or to schedule a private viewing.

AIRCRAFT HIGHLIGHTS

- Honeywell Primus 1000 avionics suite with 3-tube EFIS
- High service bulletin compliance status
- TCAS II Version 7.1 with solid-state flight recorder

INTERIOR & EXTERIOR

Eight-Passenger Executive Cabin

[Eight-Passenger Configuration](#) | [Private Belted Lavatory](#) | [Forward Galley](#)

INTERIOR DESCRIPTION

This Citation Bravo features an eight-passenger executive cabin custom refurbished in 2016. The layout includes a single aft-facing entry seat, a four-place mid-cabin club with fold-out executive tables, two forward-facing aft seats and a private belted lavatory.

Owl-Grey leather seating, matching armrests and seatbelts complement woven wheat tweed sidewalls, Owl-Grey leather drink rails, taupe figured carpeting and a light Ultraleather headliner.

The forward left-hand galley includes hot-liquid capability, an ice bin and multiple storage compartments finished in matte ash-grey veneer. Cabin amenities include Gogo Wi-Fi with Talk & Text capability and multiple USB power ports.

WEIGHTS & CAPACITY

Max Takeoff Weight	14,800 lbs.
Max Ramp Weight	15,000 lbs.
Max Landing Weight	13,500 lbs.
Zero Fuel Weight	11,300 lbs.
Usable Fuel	4,824 lbs.
Fuel Capacity	720 US gal

EXTERIOR

Finished in a Snow-White base with Navy Blue, Light Blue and Grey accent striping. The exterior paint was completed in 2016.

Honeywell Primus 1000 Avionics Suite

3-Tube EFIS | ADS-B | TCAS II 7.1 | CVR & Flight Data Recorder

AVIONICS EQUIPMENT

- ADF: Dual Honeywell KR-87
- Autopilot: Honeywell Primus 1000 IFCS
- Communications: Dual Honeywell KY-196B, 8.33 kHz spacing
- CVR & FDR: L3 A200S-CVR and Honeywell SSFDR
- EFIS: Honeywell Primus 1000, three DU-870 displays
- Flight Director: Honeywell Primus 1000 IFCS
- FMS: Global GNS-XLS with GPS
- Navigation: Dual Honeywell KN-53 with FM immunity
- Radar Altimeter: Collins ALT-55
- TAWS: Honeywell Mark VII EGPWS
- TCAS: Honeywell TPU-67B TCAS II, Change 7.1
- Transponders: Dual Honeywell MST-70B, ADS-B
- Weather Radar: Honeywell Primus 650 color radar

CAPABILITIES

- RVSM
- ADS-B Compliant
- TAWS & TCAS II Change 7.1
- Flight Data Recorder
- Cockpit Voice Recorder
- ATG-2000 Wi-Fi
